

Deltalab 8-Strip 0.2ml PCR Tubes (Strip of 8 Flat Caps)

Product Code: 4095.7N

Brand: Deltalab

Made of natural colour polypropylene, Deltalab's 0.2ml PCR Tubes (Strip of 8 Flat Caps) are autoclavable and certified DNase, RNase, and PCR inhibitors free.

These cap strips allow easy handling and inventory of caps. They also prevent cross-contamination from tube to tube.
