

Deltalab 60ml Polypropylene Containers (38 x 65mm)

Product Code: 409502G

Brand: Deltalab

Deltalab's 60ml Polypropylene Containers (38 x 65mm) have moulded-in graduations in 5ml increments.

Each laboratory container comes with a red polyethylene biflex cap. They are supplied capped.

They are ideal for pneumatic transport because they have a watertight closing system.
