

## Deltalab Blue Tissue Embedding Cassettes

**Product Code:** 554148

**Brand:** Deltalab

Deltalab's Blue Tissue Embedding Cassettes are made of acetal polymer and have integral lids.

Each cassette has a small tab on the lid for easy opening and closing.

### Features

- Air vents allowing more efficient filling with paraffin
- Safety closure
- With one-piece integral lid
- To lock the cassette, just snap apart the lid, turn it round and lock it into the base of the cassette
- They may be opened and closed as many times as required
