

Dotalab 75mm Microhaematocrit Capillary Tubes (With Heparin)

Product Code: 7301

Brand: Dotalab

Dotalab's 75mm Microhaematocrit Capillary Tubes (With Heparin) are soda neutral glass tubes with colour-coded printing for easier identification with sodium heparin (red).

They are supplied inside a glass tube with a plastic cap, specifying code, lot, and expiry date.
