

Jeio Tech Open-Ring Cover with Two Openings for BW-20 Water Baths (185mm)

Product Code: AAA45528

Brand: Jeio Tech

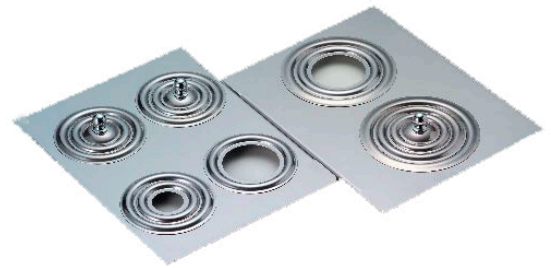

The Jeio Tech Open-Ring Cover with Two Openings for BW-20 Water Baths (185mm) allows beakers or erlenmeyer flasks to be placed directly onto the perforated stainless steel half-shelf adjuster or water tank boom.

By adjusting the ring size for each glassware, liquid loss due to evaporation is minimised.

Suitable for Jeio Tech 20 Litre Water Bath (BW-20H), Jeio Tech 20 Litre Water Bath (BW-20B), and Jeio Tech 20 Litre Water Bath (BW3-20G).

Specifications:
