

Deltalab Plastic Tray for Blood Collection Tubes

Product Code: M-300

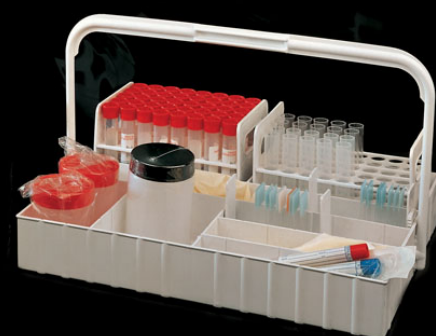

Brand: Deltalab

Made of sturdy autoclavable polypropylene, Deltalab's Plastic Tray for Blood Collection Tubes is designed for flexibility and versatility and can be arranged to meet your specific needs.

It features two 40-place test tube supports (for tubes up to \varnothing 16mm) and one 18-piece slide holder (for 76 x 26mm slides), a large requisition section, and adjustable partitions to hold varied materials. The handle is formed by an end mounted, detachable loop that is 178mm high.

Specifications:
