

Trajan White Series I 90° Frosted Plain Edged Microscope Slides

Product Code: TJ471022201

Brand: Trajan

Trajan's White Series I 90° Frosted Plain Edged Microscope Slides are non-coated and frosted at one end, making it easier for laboratories to identify samples. These slides are designed for printing with automated slide printers.

All slides are pre-cleaned and inspected before distribution.

Features

- Manufactured using high-quality German extra plane float glass
- Packed with double cellophane in box-type cardboard boxes
