

Trajan Green Series 3 Adhesive Large Frost Microscope Slides

Product Code: TJ473042495

Brand: Trajan

Trajan's Green Series 3 Adhesive Large Frost Microscope Slides are manufactured with a specialized fortified adhesion coating that provides improved tissue sample adherence and extensibility. Each slide is made of fine glass with excellent flatness and transmittance with minimal intrinsic fluorescence.

All slides are carefully cut, pre-cleaned, and inspected to ensure that they meet your laboratory's needs.

Features

- Optimized for immunostaining with fortified adhesion
- Slides are optimized for use with a range of automated immunostainers
- Manufactured using high quality extra plane float glass
- Packed with double cellophane in lid-type cardboard boxes
